

**Disclosure to Patients Updated 10.01.2015**  
**(as required by Chapter 102 of Texas Occupations Code)**

Texas law requires that, at the time of initial contact and at the time of referral, Texas physicians disclose to patients i) of any affiliation the physician has with a person or health care facility for whom the patient is secured or solicited and ii) that the physician may receive, directly or indirectly, remuneration for securing or soliciting the patients.

This disclosure is intended to help you make a fully informed decision about your health care. North Houston Orthopedics and Sports Medicine has a direct or indirect ownership interest in one or more of the entities listed below and may receive remuneration from such entities.

Dayspring Specialty Pharmacy, Global Molecular Labs, Red Oak Surgery Center, The Woodlands Surgery Center and Houston Northwest Hospital. In addition, Dr. Navid and Dr. Mansour practice at Memorial Hermann Hospital-Woodlands, Apollo Hospital, Tomball Regional Medical Center, and Spring Central Hospital.

Although your physician may recommend the services and/or toxicology of any entity listed above, you may choose to obtain services from an alternative provider or facility; you will not be treated differently by your physician or our staff if you choose an alternative provider or facility. Please ask our staff or ask to speak to our office manager if you have any questions.

Thank you,  
North Houston Orthopedics and Sports Medicine
